

Medical Record List

If you have previously completed any of the tests or treatments below, please send us a copy of your medical records at least 72 hours prior to your first appointment. Your medical history helps your physician develop a custom-tailored treatment plan to ensure you have the best outcome possible. Note: a medical records release form is available at the end of this list.

You can upload these records through our clinical portal, which can be accessed at: www.ccrmivf.com/patientportal/. If you have any questions before your appointment, please contact our office at (212) 290-8100.

MEDICAL RECORDS TO CCRM NEW YORK¹ (From Other Physicians)

In determining your care and treatment with CCRM New York, our providers want to have a complete understanding of any past related care you and/or your partner have received from other physicians.

Following this page is a medical record release form for your use in requesting your records from your previous doctor(s).

Given medical record releases can take many weeks to process and to insure CCRM New York receives your records in time, please submit this form to your doctor as soon as possible and have the records sent directly to CCRM New York. **If you have a partner, he/she will need to complete a separate release form.**

Indicate the date of your CCRM New York appointment on your form in the corresponding field.

Records must be received no less than three business days before your appointment.
