The main heading is "Please enter your username and password to sign in". Below this are instructions: "Patients: You do not need to enter a Domain. Employees: Please include domain when logging in". There are three input fields: "Username", "Password", and "Domain". Below the "Domain" field is a checkbox labeled "Remember my username" and a blue "Sign in" button. To the right of the input fields is a "Register" link circled in red, with the text "If you don't have a username, register here." Below the "Register" link is a "Learn More" link with the text "Tell me more about Biscom SFT." At the bottom left is a link "Forgot your password?".

Below these fields is a "Terms of service" section with a scrollable text area containing a "CONFIDENTIALITY NOTICE". Below the terms of service is a checkbox labeled "I accept the terms of service" which is circled in red. Below the checkbox is a note "* Required fields" and a blue "Register" button, also circled in red.
