As a veteran owned business, they take customer service and being on time a serious matter. Their vehicles are always on location 15 mins before the pickup time. You will receive a text from your Chauffer with his or her picture one hour before pickup, when the Chauffer is staged on location.

All vehicles are 2017 or newer. Professional, multilingual, black suit, white shirt and company tie uniformed chauffeurs - who have undergone background checks and many with backgrounds in security services. The vehicles are sanitized after each trip and before the client boards.
