

Becca Kile, MS – Media QC Manager

Becca graduated in 2015 from California Polytechnic State University where she received her Bachelor's degree in Animal Science, with an emphasis in poultry production and pre-veterinarian medicine. She then went on to receive her Master's in Biomedical Sciences, with an emphasis in assisted reproductive technologies, from Colorado State University and promptly joined CCRM thereafter in 2016. As the Media Quality Control Manager, Becca produces and completes QC testing under FDA guidelines of the in-house culture media and products for network-wide clinical IVF use.
